

THE FOODCHAIN CRUSTACEAN CUP - A LOCAL BAND SOCCER MATCH

Foodchain, the all-ages events initiative of the Perth Youth Advisory Council, is proud to present their inaugural local band soccer match during the 2010 WAMi Festival.

The Crustacean Cup combines the fun of the world game with the sometimes laughable physical capabilities of local musicians during an hour-long match on the west end greens of Wellington Square.

Stop by from 2-4pm on Sunday May 23 and celebrate the final day of the WAMi Festival with this unique event.

Referee and MC Tomas Ford will call the action as local band members clash in an epic never-before-seen battle of forgotten soccer skills and waning fitness levels!

Captain Chris Pierruci (Capital City) and the Crabs FC will take on Captain Laith Tierney (Tyranocorp Management) and his Mighty Tyranocrabs.

CRABS FC feature musicians from local favourites Eskimo Joe, Red Jezebel, Sugar Army, Emperors, Russian Winters, Capital City and Boys Boys Boys, while the MIGHTY TYRANOCRABS are made up of band members from Cal Peck & The Tramps, Bible Bashers, Mile End, Mongrel Country, Fear of Comedy, Chainsaw Hookers, Porject Mayhem, Injured Ninja and more.

The Crustacean Cup also features half and full time karaoke performances of locally-written songs from the panting players, and of course, a very memorable trophy presentation.

Bring a rug, a picnic basket and your loudest soccer chants and enjoy this free afternoon event – all are welcome.
