

2010 WAMi FESTIVAL SUBMISSIONS OPEN

WAMi are excited to announce submissions are now open for original WA artists to showcase during the **2010 WAMi Festival**, scheduled to run from Wednesday 19th - Sunday 23rd May, next year.

After shifting the WAMis from February to May, a massive 80 000 people attended the WAMi Festival showcases and programs in 2009. The 2010 WAMi Festival is set to be just as big with the WAMi Awards, Northbridge Saturday Spectacular, WAMi Music Business Conference and WAMi Regional Tours all set to return, alongside the debut of fresh events in new spaces and venues such as the Northbridge Piazza and small bars across the Metro area.

By submitting your act for the 2010 WAMi's, you have the opportunity to perform at these WAMi events and a chance for your act to feature on the Kiss My WAMi CD/DVD Compilation. All original WA acts are encouraged to apply and there are a limited number of opportunities for guest acts from outside WA. All the WAMi Festival application details are available at www.wam.asn.au with submissions closing on Friday 15 January 2010. Please note that no extensions will be given.

WAMi Festival Director, Sarah Norton gives her spin on the WAMis -

"The WAMi Festival places a huge spotlight on the amazing contemporary music scene in Western Australia and this stimulates interest at local, national and international levels. The 2010 edition is particularly exciting given the recent push of new and very exciting acts locally, and ever-escalating presence of big-name acts on the local and international scenes. The 2009 WAMi Festival put contemporary music experiences into different spaces and mediums through projects such as Kiss My Camera and the Windows on William WAMi Festival edition. These projects were really successful and we will be continuing along this path in 2010 with music-focused multimedia, recording and publishing programs".

The 2010 WAMi Festival will run 19 – 23 May with the Regional WAMi Festival Tours and special events happening in the lead up.

For all 2010 WAMi Festival artist submission information please visit <http://wam.asn.au> (.)
