# 2010 WAMI MUSIC BUSINESS CONFERENCE: 20-22 MAY

**The Empyrean 12 Lake Street, Northbridge**

The WAMi Music Business Conference returns in 2010! Taking place during the WAMi Festival, the Music Business Conference runs from Thursday 20 May to Saturday 22 May at the Empyrean Function Centre in Northbridge, Western Australia.

Western Australia has an abundance of world-class creative talent when it comes to making music, but just as important are the people behind the scenes – label owners, promoters, managers and event organisers, just to name a few – who support and bring this talent to audiences, both at home and abroad. The WAMi Music Business Conference aims to equip both artists and music industry professionals with the latest knowledge and industry practices through a range of panels and practical workshops, and connect both delegates and speakers alike for deal making and idea sharing opportunities.

Returning in 2010 will be the successful 'Bill Me' Festival Pitch panels that place artists in front of decision-makers that could get their music onto festival line-ups, as well as the popular Speed Dating sessions that provide delegates one-on-one meetings with respected industry professionals, such as managers, record label representatives and music lawyers.

For the first time, the WAMi Music Business Conference will feature a live simulation of a Song Of The Year judging panel where the winner will automatically be given a wildcard entry into the 2010 WAM Song Of The Year Grand Prize category, bypassing the normal SOTY application process. The Conference will also feature the new Songwriter Talks session where three local artists will perform live and share insights into their song writing process.

Since its inception in 2005, the WAMi Music Business Conference has hosted over 1,000 guests from all over WA, Australia and the world, providing tangible commercial outcomes for participants.

The 2010 WAMi Music Business Conference is here to empower you. Whether you're an emerging self managed artist or an established music organisation, we want to help you grow and make sustainable your music career and business. So make it your Conference!

The WAMi Music Business Conference commences at 9am each day and runs from May 20 – 22, 2010.

Registration is \$120 (individual) and \$200 for bands (includes up to 4 passes). For WAM members it is \$90 (individual) and \$140 for bands. All 2010 WAMi Music Business Conference registrations can be made via [wam.asn.au](http://wam.asn.au) (.)
